A New Student Services Building in 2011

In 2011, Mesa College's new Student Services building will open to our campus community. The building will feature a convenient one-stop-stop for Student Services, state-of-the-art classrooms, study and meeting spaces, technology stations, and a café for snacks and beverages.

To construct the new Student Services building, we're tearing down the existing I-400 building. What this means for you: Some services have been relocated to the Mesa Modular Village at the east end of Student Parking Lot #1. Here's where you'll find our Student Services offices.

Student Services Locations

MV = Modular Village
